Jesus in Your Backpack

A Teen's Guide to Spiritual Wisdom

Jesus in Your Backpack is based on the belief that spirituality is never the result of indoctrination; rather it is the result of inspiration. This book shows teens how they can connect with Jesus as teacher, role model, sage and spiritual seeker.

Free of dogma and doctrine, *Jesus in Your Backpack* does not impose Jesus as Savior nor preach the absolute, heaven-or-hell rules of organized Christianity. The author freely acknowledges both fact and myth while telling the story of Jesus' life and crucifixion. He explains why Jesus was such a troublesome presence to the religious and political establishment of the time and why following his true teachings often puts one at odds with America's right wing churches.

Jesus in Your Backpack offers teens guidance from a man who is passionate about peace, justice and creating genuine hope rooted in unconditional love. It is wisdom that transforms lives by encouraging one to be fully human while discovering the heaven in the here and now.
